Dear Resident,

NBN permanent restoration works
ABBOTSFORD

We are pleased to advise the commencement of restoration works in the Abbotsford area. These repairs are due to excavation works previously carried out by NBN.

These works are scheduled to commence on Monday 13 January 2019 with an expected completion date of Friday 15 February 2019, weather permitting.

Generally works will be carried out between the hours of 7:00am to 5:00pm from Monday to Friday. However, there may be some instances that necessitate work outside of these hours.

These works may affect access to your property temporarily, however our contractors will endeavour to minimise any inconvenience to our residents.

We are working towards improving our local area and appreciate your patience and cooperation during this time.

Should you require further information in relation to these works, please do not hesitate to contact our Driveways & Restorations Coordinator, Michael Scarpellino on 9911 6495.

Yours sincerely,

Mayor Angelo Tsirekas
