

VOLUNTEER GARDENERS

Cabarita Heritage
Garden

**Are you: Passionate about gardening? Keen to get involved in a hands on community project?
Interested in learning more about the area's heritage?
Or just looking for something to get involved in and meet more people in your local area?
Mayor Angelo Tsirekas, City of Canada Bay invites you to join the Cabarita Heritage Gardening Volunteers.**

A volunteer gardening group will meet once a month at the Cabarita Park Rotunda to restore the gardens around this local icon.

Volunteer gardeners will work with Council staff to design and plant a heritage themed garden as a vibrant centre piece to the park.

This project is a great opportunity to enjoy the fresh air and beautiful parkland of Cabarita, make a difference in your local community, and make some new friends along the way!

No prior gardening experience or any special equipment are needed. All training and materials will be provided to participants at the work-group meetings.

Registration is essential. For more information or to find out how you can register your interest contact Council's Community Services Administration Officer on 9911 6555 or helen.dlugosz@canadabay.nsw.gov.au
