

BaysideBrief

Newsletter of the City of Canada Bay

Rhodes West moving forward

The renewal of Rhodes West is moving forward with the approval of a new Rhodes West Local Environmental Plan (LEP) by the State Government in April.

Rhodes West is located on the eastern shore of Homebush Bay and was earmarked for high density living by the NSW State Government.

Since 1999 the area was developed by the State, until July 2007 when planning consent was transferred to the City of Canada Bay.

Extensive community consultation was undertaken in the development of the Master Plan, adopted in December 2009, which sought to increase the amount of public open space, as well as deliver a multi-purpose community hub.

Council is committed to a number of projects to enhance the Rhodes West area, including the design of the central park and town square to deliver quality public recreation opportunities for the Rhodes community.

Greg Davis

Drummoyne's Greg Davis breaks from a South African tackle during the 1963 Test at Ellis Park. Davis will be honoured with a naming ceremony of the new Drummoyne Oval pavilion in July.

Rugby day remembers local hero

Make sure you mark Sunday, 24 July in your diary for a rugby festival with a difference.

Come along and watch the Mayor's XV against an Invitational XV as late Drummoyne and Australian Rugby legend, Greg Davis, is honoured with the naming of the new Drummoyne Oval stand in his memory.

Sponsored by City of Canada Bay and hosted by the Drummoyne Rugby Club, this will be a great day of rugby for all the family.

The day will start with juniors games, followed by the Drummoyne Colts, the City of Canada Bay's Mayor's Invitational game involving retired players and finally ending with the major

clash between the Drummoyne Invitation XV play an Sydney XV.

Greg Davis played 126 games for Drummoyne Rugby Club and was selected to play for the Australian team in 1963.

Davis' international career included tours of Great Britain, South Africa, France, New Zealand and Canada.

Although born in New Zealand, Davis was embraced by the Drummoyne rugby fraternity and is still remembered as a 'Dirty Red'.

Keep tuned to Council's website for more information.

Mayor's Message

Council has had a busy two months since the last Bayside Brief with many achievements, such as adopting its 2011-12 Budget and Operating Plan and completing key community consultations around the City.

You can read about how you can get involved in our Community Panel in the lower section of this page.

We also have an exciting program of capital works slated for the coming financial year. Some of our programmed activity is listed on this page.

I had the pleasure of meeting many of the locals at Five Dock, some new, some old, when I launched the new look Fred Kelly Place with its marvellous new mural that depicts local faces, pets and memorabilia from the past and present. It's an absolute must to make time to visit Fred Kelly Place while you absorb the mural's stories and enjoy a cup of coffee from one of the many cafes on Great North Road. You can read more about this great piece of art on page 3.

A big event on the horizon is the Greg Davis Rugby Festival reported on the front page. This will be an event to celebrate a very important day in the City of Canada Bay's rugby history so don't forget to mark your diaries for this exciting fun family day out. Also keep an eye on the website and Facebook for details.

Mayor Angelo Tsirekas
City of Canada Bay

Upgrading our community

Council is embarking on a series of exciting capital works projects supporting our commitment to providing a healthy and active lifestyle for residents of the City of Canada Bay.

Our recently adopted 2011-12 Operating Plan includes upgrades to a number of key community facilities and provides quality play spaces for our children and sporting groups.

Over the course of the next year, Council will upgrade the following:

- The Bay Run - \$425,000
- A bike path at Queen Elizabeth Park - \$100,000
- Play space at Bayview Park - \$75,000
- Play space at Goddard Park - \$50,000

Other key projects include:

- Surface levelling at Ron Routley Oval (\$220,000) and St Lukes Oval (\$200,000) which will provide excellent playing fields for the many sporting groups in our City

- Council's Swim Centres will receive a \$50,000 upgrade
- Rhodes West will also receive an extension to Point Park (now Mill Park, see page 7), streetscape works at Blaxland Road North and a new boat ramp, jetty and pedestrian crossing at Blaxland Road.

Council's commitment to library services will also benefit from \$282,000 to renew its library collections.

Council has listened to and acted on the needs and concerns of our residents and your input in the public consultation process before adopting the Plan was invaluable. A sustainable program of infrastructure and facility development is the result. Stay tuned!

You can Have Your Say!

The success of last year's FuturesPlan20 Community Panel trial has prompted Council to establish the concept as an ongoing consultative group.

Feedback provided by panellists assisted Councillors to consider the important challenges the City faces over the next decade.

The management of the Community Panel has been refined with more specific consultation sessions and the capacity to review issues and submit input more effectively.

Where more detailed issues are being addressed, Council will ensure panellists have the time and opportunity to absorb the information to be able to give a considered opinion.

The first consultation was a focus group providing input into the planning of future library services.

This is a great opportunity to have your say in the future of your area. Visit Council's website for more information and registration forms.

Mayor Angelo Tsirekas consults with the community

Cin cin, Ferragosto!

Celebrate everything Italian at Ferragosto on Great North Road, Five Dock, on Sunday, 14 August at 10am-4pm.

This year's Ferragosto is shaping up to be bigger and better than ever, with all your old favourites as well as a few new surprises.

FerraKitchen, FerraKids and FerraHomegrown promise to make this a day for all the family.

FerraPiazza is the place to be to try a great array of food and wines, while the kids enjoy the play area and entertainment.

Last year more than 50,000 people enjoyed local entertainment, cooking demonstrations, music and dancing, kids' activities and market stalls.

This is the 14th year of Ferragosto, a celebration which has grown each year and has become a landmark event on the Sydney events calendar.

Keep an eye on Council's website for updated information as it comes to hand, including entertainers, chefs and activities to enjoy.

I Remember maps our identity

Fred Kelly Place, Five Dock, has a new lease of life following the official launch by City of Canada Bay Mayor, Angelo Tsirekas of a unique public artwork which captures the sense of community of the Five Dock area.

Commissioned by the City of Canada Bay, the mural entitled *I Remember* was created by public artist Joanne Saad.

I Remember mirrors the memories of families and their homes and highlights the wonderful history we have in our region.

It recognises the diversity of this region and how its remarkable history is still an important part of Five Dock and the City of Canada Bay.

The mural was created over a number of months and incorporates the memories of residents of the area and historically significant items.

The mural covers an area of 21 metres and is 1.8 metres high. Made up of three panels, it has been designed to complement a planned upgrade of Great North Road, which will include artwork on electricity boxes and street banners.

The project is part of Council's public artwork program, which has included

themed murals on traffic signal boxes and artwork in the adjoining Five Dock Library.

Artist Joanne Saad and Mayor Angelo Tsirekas

Fred Kelly's daughters Daphne and Doris are featured in the mural

Drummoyne action!

Drummoyne businesses will benefit from the Drummoyne Action Plan which aims to update the business precinct and give it a new look.

Funding for the project was allocated to Council through the Inner West Busways project to help grow the area following changes to traffic flows due to the Iron Cove Bridge duplication.

A Drummoyne Precinct Steering Committee was appointed in July 2010 and in February two community workshops were held with more than 50 participants sharing ideas for the area to be improved.

As a result, the Action Plan was prepared to guide Council on the needs of businesses, residents and shoppers to the Drummoyne shopping area.

The Plan focuses on developing Drummoyne as a community based village-style business precinct with short and long term strategies recommended.

The Action Plan provides a detailed strategy for the delivery of the project including:

- Develop a Public Realm Concept Masterplan and implementation of three public realm improvement projects
- 'Quick wins' street enhancements
- Council support for business activities.

For the full Plan and associated information visit Council's website.

An author talk trio!

Join three internationally published writers for a discussion of their work and the journey that took them to writing at Concord Library on Friday, 17 June at 1pm.

Liane Moriarty, Dianne Blacklock and Ber Carroll are all full time novelists and mothers and will discuss the challenges of juggling publishing deadlines while raising a family.

The afternoon will conclude with a discussion period with tips for aspiring authors.

Tickets are \$7 and prepaid bookings are essential. For more information go to Council's website, phone the Library on 9911 6210 or email Claude. Broomhead@canadabay.nsw.gov.au.

Liane Moriarty will be joined by Dianne Blacklock and Ber Carroll for this month's Author Talk.

Info to your inbox and Facebook

Stay up to date with all of Council's happenings through our extensive range of e-zines and newsletters and through Facebook by liking our page.

Looking for what's on? Subscribe to Around The City, a comprehensive listing of what's on in your city.

Need to know more about your environment? Sustainable Living is the e-zine for you, packed with information on workshops, tips to live more sustainably.

Are you in business? Bayside Business will be your e-zine. This business focussed newsletter will provide you with details of networking opportunities, training and development courses and latest information.

You can keep up with the latest news from the mayor's desk with Bayside e-Brief. This

The Mayor's Facebook page

provides the latest information on projects currently underway, future directions and how you can be involved in Council's planning opportunities. You can also get acquainted on the Mayor's Facebook page.

Liking the City of Canada Bay's Facebook site will give you immediate updates on Council news as it occurs.

Visit Council's website, click on the e-communications icon and sign up today.

Calligraphy exhibition

Calligraphy and Chinese brush painting will come to life during an exhibition at Concord Library in June.

The exhibition will show art works from members of three art societies - the Australian Society of Calligraphers, the Australian Chinese Painting Society and the Australian Oriental Calligraphy Society.

The official opening will be held on Thursday, 9 June at 6.30pm and bookings, which are essential, can be made at Concord Library or on Council's website.

Complementing the exhibition is a series of workshops on calligraphy and Chinese brush painting.

The workshops will be held on Saturdays and more information is available on

Council's website through the Your Local Library pages.

Calligraphy and Chinese brush painting is in focus during June at Concord Library.

Indigenous artist Aunty Elaine Russell helps a participant at her children's art workshop during NAIDOC Week last year

Celebrate Indigenous culture

NAIDOC Week on 3-10 July is a celebration of the achievements, heritage and culture of Aboriginal people and their community.

A number of events will help mark the week, including a children's storytime and craft session and an exploration of Aboriginal culture by the Office of Environment and Heritage.

The Sustainable Toolkit is a hands-on artefact presentation and discussion of Aboriginal tools, including coolamons, boomerangs, spears, skins, dilly bags, woomeras, resins and ochre. An Aboriginal Discovery Ranger will share understandings of the diversity of Aboriginal tools, resources and lifestyles across different parts of Australia.

Chris Tobin is an Aboriginal Discovery Ranger with Blue Mountains National Park.

As a Dharug man, Chris is a traditional owner of the eastern areas of the Blue Mountains landscape. He has worked in Blue Mountains National Park for more than 10 years, guiding bushwalks and sharing cultural understandings and experiences.

A formal part of the week's celebrations will include the signing of a Principles of Cooperation between Council and the Metropolitan Local Aboriginal Lands Council (LALC). This is an agreement to work cooperatively on issues and projects affecting Aboriginal community, culture and heritage.

Get active with Bay Connection

People over 55 who would enjoy a regular bus outing but don't take part because of accessibility concerns should look at Bay Connection.

Bay Connection outings visit places of interest that have good physical access and where minimal walking is required. Tours include historical sites, scenic drives and shopping opportunities. Previous trips included factory outlet shopping, the Tulip Festival at Bowral and Berowra Waters.

If you live at home, find it difficult to attend social events because it is hard to get about

and are feeling lonely or isolated, this could be the service for you.

This service is not available to nursing home residents and Bay Connection travellers are picked up and dropped off at home. The trips operate on Tuesdays and Fridays of alternate weeks and more information can be obtained by contacting Council on 9911 6555.

Homework Club helps students

It's not too late for students from non-English speaking backgrounds in Years 1-6 to register for the Term 2 Homework Club.

The Homework Club is held at Concord Library Study Room each Thursday and is designed to help primary students with their general homework needs.

Sponsored by the City of Canada Bay, it is run by the Smith Family with volunteers providing students with general homework support.

Bookings are essential and for more information contact the Smith Family on 9715 3614 or Council on 9911 6523.

Ready to start school

How do you know if your child is ready for school?

Research into school readiness indicates that a successful transition to school results in children who like school, look forward to going and show steady growth in academic and social skills.

A new resource Starting School, Practical Advice for Families has been developed to assist parents in preparing their children for school and is available by contacting Customer Service on 9911 6555.

The booklet is also available from Council's website, click on Community and Culture, Children's Services and it can be downloaded from the bottom of the page.

Mayor Angelo Tsirekas and Councillor Jeanette O'Hara with Bay Riders at the launch of the community bus last year

Do you need help getting out and about?

The City of Canada Bay and Drummoyne Community Centre (DCC) are working together to provide help with transport with a shuttle style service known as the BayRider.

Currently available on Wednesdays and Thursdays the BayRider provides a door to door service in a wheelchair accessible bus. It enables those with transport difficulties to access a variety of destinations including Concord and Five Dock Libraries, Concord Hospital, Rhodes, Concord and Five Dock shopping centres, Drummoyne Community Centre and other local destinations.

On Wednesdays transport for those attending medical related appointments in

Burwood is also available. The Wednesday service is on a trial period till October 2011.

The BayRider is there to help those with either short or long term transport needs and cannot access other transport options. Contact DCC to find out if this service is right for you.

Bookings are essential and must be made between 9-11am the day before travel.

For more information or to book phone DCC on 9719 8102 or email dccinc@ozemail.com.au.

Stroke prevention and management

Preventing, treating and managing stroke is the topic of the next Public Health Panel at Concord Hospital on Wednesday, 15 June at 6.30pm.

Expert panellists Dr Alistair Corbett, head of Concord Hospital's neurology department, Clinical Nurse Consultant, Alison Wilson and Natalie Fairchild, Project Officer with the Stroke Foundation will provide information on stroke, how to control the risk factors and how to find the right help and support.

Stroke is the second single greatest killer after heart disease and a leading cause of disability.

The evening will give participants an opportunity to ask specific questions of the panellists and arm themselves with the knowledge they need.

The forum will be held at Concord Hospital's Clinical Science Building, Hospital Road, Concord West, located between Gate 2 and 3, 'Aged Care and Rehabilitation' entrance opposite the visitors car park.

The forum is free and refreshments will be provided from 6.30pm, with the forum to commence at 7pm.

Bookings are essential and your place can be reserved by phoning 9911 6580 or email Helen.dlugosz@canadabay.nsw.gov.au by Monday, 13 June.

Locations of Mill Park and Peg Paterson Park, Rhodes

New names for Rhodes public spaces

Two parks and a street in Rhodes now have official names following a Council resolution on 17 May.

The parks, which were developed as part of the Rhodes Urban Renewal Program, are located on Mary Street and on the northern tip of Shoreline Drive.

Locally known as Neighbourhood Park, the Mary Street space will be named Peg Paterson Park, in honour of local resident Peg Paterson who had a long and active involvement with the Rhodes community.

Commonly known as Point Park, the parkland area at the northern end of

Shoreline Drive will now be known as Mill Park, recognising the location as the site of a flour mill developed by John Darling in 1915.

In keeping with the park name, the street running along Mill Park will now be known as Mill Park Street.

The new names will now be submitted to the Geographical Names Board for acceptance and registration.

Bayside Kids the place to be this winter

The winter school holidays are creeping up: a perfect time to get the kids involved in Bayside Kids.

The Bayside Kids holiday program offers sport and recreation activities that promote fitness, wellbeing and fun. The program caters for children and young people aged 5-14 years and all activities are provided by qualified instructors.

Activities are held at various venues across the City of Canada Bay including Drummoyne Oval, Timbrell Park and Rodd Point. During the Easter holiday break there were great

activities such as Athletics, Giant Obstacle Course, Learn to Sail 2 day program and a soccer clinic. Everyone had fun, met new friends and learnt new games!

The next holidays are from 5-14 July and there will be plenty of activities to suit the season.

A full list of activities will be available on Council's website and bookings - including online bookings - open Monday 6 June.

Let's Play... Cabarita Park upgrade

The children of Cabarita can look forward to an upgraded playground in Cabarita Park.

Our Let's Play strategy, adopted in 2007, guides our outdoor playground upgrades.

We will be consulting shortly to gain your input into the design. If you would like to be included in the process please email yoursay@canadabay.nsw.gov.au

Traffic: Have your say

Drummoyne residents will soon get to have their say on local traffic conditions in the wake of traffic changes with the duplication of the Iron Cove Bridge.

Concerns include traffic volumes, driver behaviour and parking congestion in Drummoyne's local streets.

Over the past two years, increases in traffic movement of up to 15 per cent in some streets have been recorded. Council also monitored local traffic conditions prior to the duplication project.

Council will soon conduct a Local Area Traffic Management (LATM) study with a letter seeking feedback from Drummoyne residents.

Concerns and suggestions are welcome and can be made by completing the feedback form on-line, emailing council@canadabay.nsw.gov.au or writing to Council.

Love food hate waste

Who doesn't love food? NSW households send an average of 800,000 tonnes of food a year to landfill. When food waste breaks down in landfill it produces methane – a potent greenhouse gas.

There are many reasons for this, including overbuying, not using leftovers and even simply not preparing a list for your weekly shop.

Wasted food also means wasted resources. The water, energy, materials and fuel used to harvest, transport, process, package, distribute and market wasted food is also wasted.

Visit the Love Food Hate Waste website www.lovefoodhatewaste.nsw.gov.au for plenty of practical tips on how to save food, save money and save the environment.

Gardens in small spaces

A healthy and productive garden on the balcony, courtyard or in containers can be yours with the next Growing Food in Small Spaces workshop on Saturday, 18 June from 9.30am-12.30pm at Concord Community Centre, 1A Gipps Street, Concord.

Get practical ideas for growing food in a small space immediately. Learn how to reduce reliance on chemical fertilisers and pesticides and create a garden that works with nature.

This free workshop will give hands on experience and participants are encouraged to bring along a recycled pot at least 20cm in diameter to create a container garden to take home.

Don't forget to bring gloves, a hat and sunscreen and wear covered shoes for the practical sessions.

Bookings are essential and can be made by contacting Council on 9911 6411 or emailing environment@canadabay.nsw.gov.au.

Restore our forest community

National Tree Day is on Sunday, 31 July and this year aims to create an environmental buffer to help protect the Sydney Turpentine Ironbark Forest community at Queen Elizabeth Park, Concord.

From 9am-12pm the event will also have a Council-hosted barbecue provided for volunteers, who need to wear appropriate clothing such as a hat, long sleeved shirt and long pants, enclosed shoes and sunscreen.

Gloves, tools and equipment for planting, watering cans, buckets and drinking water will be provided.

The only remaining examples in the City of Canada Bay of the once extensive Cumberland Plain Forest exist as small, isolated remnants in Concord and Concord West. These remnants contain the Sydney Turpentine-Ironbark Forest vegetation community. The restoration of this natural asset was initiated by the then Concord

Council, and has continued to improve and expand through the coordinated efforts of Council and the Concord Bushcare Group. For more information or to register your interest visit <http://treeday.planetark.org/site/48289>, contact Rob Stevenson on 9911 6555 or email bushcare@canadabay.nsw.gov.au by Thursday, 28 July.

The mayor will be visiting between 10-11am.

Save home power!

The City of Canada Bay is supporting and promoting the Department of Environment and Heritage NSW, Home Power Savings Program which is helping vulnerable households save power and money.

The program is available to NSW residents with a Pensioner Concession, Low Income Health Care or Veterans' Affairs card or energy utility hardship customers.

Every eligible household that joins the program gets a FREE:

- Home power assessment by an energy expert (about 1 hour)
- Power Savings Kit
- Personal Power Savings Action Plan

So don't miss your chance to save on your power bills!

For more information or to book a home assessment call 1300 662 416 or visit www.savepower.nsw.gov.au

Get your nominations in!

Nominations for the City of Canada Bay's Sustainability Awards are now open, and close on Monday, 4 July.

Now in their fifth year, the Sustainability Awards recognise businesses, community groups and individuals who have achieved economic, social or environmental progress in the City of Canada Bay.

The first 20 people to nominate themselves or someone else will receive a complimentary ticket to the prestigious awards night at Rhodes Phoenix in September.

The award categories are:

- Best Conserved Heritage Precinct
- Best Maintained Heritage Property
- Best New Development Involving Heritage
- Special Heritage Work
- Business Access
- Business Recognition
- Child Friendly Business
- Community Organisation Recognition
- Community Partner
- Disability Employer of the Year
- Environmental Business
- Environmental Citizen
- Environmental Community Organisation
- Innovation
- Sustainable Precinct Recognition
- Sustainable Culture.

More than 35 awards were presented in 2010, recognising a broad cross section of the community.

To nominate visit www.2011sustainabilityawards.com.au and fill in the application form. You can also contact Council on 9911 6555.

Winners will be announced at a gala dinner in September.

2010 Sustainability Award winner John O'Donnell, NSW Fire Brigade accepts an award from Mayor Angelo Tsirekas

iPad2 winner

Congratulations to Deborah Ng who has won a brand new iPad2 simply for completing an online survey as part of Council's community consultation phase for the development of a Library Services Strategic Plan.

The library received 920 completed surveys and the data will be analysed to determine how the community use the library service and the kind of library services they want into the future.

Mayor Angelo Tsirekas and Cr Helen McCaffrey presented Deborah with her prize.

Councillor Helen McCaffrey, Deborah Ng and Mayor Angelo Tsirekas

Christian White, Beth White, Major Gavin Watts, Mayor Angelo Tsirekas, Katie Ryan and Sean Everitt

Supporting the flood appeal

Mayor Angelo Tsirekas has presented the Salvation Army with a cheque for \$3000 on behalf of Council for the Queensland Flood Appeal.

Christian White, Beth White, Major Gavin Watts, Katie Ryan and Sean Everitt accepted the cheque on behalf of the Salvation Army and Communities for Communities. All of us have been touched by the impact of the

flooding in Queensland, northern NSW and Victoria in January.

Council has also supported a number of other fundraising events held throughout the City over the past few months.

Locals makes good!

A team of seven locals recently cycled 1100km from Brisbane to Sydney in the first RIDE 4 Pride event to raise awareness against bullying, depression, and obesity.

Organised by local fitness trainer Christian Marchegiani from 'THUMP Boxing' and Iron Man Matty Clarke from 'RIDE Indoor Cycling', this will now become an annual event.

Travelling through 50 towns on the way the group received warm welcomes from locals inspired by the cause. The cycle took seven days to complete and on entering the City of Canada Bay they received a warm reception from residents which Christian described as a humbling experience.

Christian and Matty organised the event because they have both personally experienced these issues and wanted to show others the importance of believing

in themselves and know that they can overcome adversity. The group wants to thank the community for their support especially Mayor Angelo Tsirekas who encouraged the team along the way.

The RIDE 4 Pride team in full flight

Charlie Gibbs, Cailee Melfi, Mayor Angelo Tsirekas, Hudson Van Reyk and Chiara Bivona

Walk to School Day

With pedometers attached, the children of Five Dock Public School walked to school counting their steps in support of Walk Safely to School Day on Friday, 20 May.

All children who walked to school were greeted by City of Canada Bay Mayor, Angelo Tsirekas, at the front gate and he presented them with a sticker for their participation in this annual event.

Walk to School Day provides an opportunity for parents to walk with their children to school and to teach them road safety skills in the process.

Volunteer barbecue

National Volunteer Week was held throughout the nation 9-15 May and was celebrated in the City of Canada Bay with a thank you barbecue at the Meals on Wheels offices in Concord.

Volunteers are the lifeblood of any community, whether they are Meals on Wheels volunteers, residents who volunteer to help at events and functions, committee

members, or mums and dads who help with sporting events. Communities like the City of Canada Bay thrive because of these unsung heroes.

To submit contributions to the 'Around the City' pages in the next edition of Bayside Brief, please contact Council's Communication and Public Relations team on 9911 6555.

Council Meetings

City of Canada Bay Council meetings are held on the first and third Tuesday of each month. Development matters are usually dealt with at the meeting on the first Tuesday of the month. Meetings start at 6pm and are held at the Canada Bay Civic Centre. Council meeting agendas are available to the public in our libraries or on our website the Saturday before a meeting, and are also available from the Canada Bay Civic Centre on the Monday before a meeting.

Contacting us

City of Canada Bay's Customer Service Team is your first point of contact for enquiries about our services. To speak to a member of the Team visit the Canada Bay Civic Centre, or phone or email us.

A customer service centre also operates from Concord Library on Monday to Friday from 9.30am to 4pm. All services are offered at the Library during these hours with the exception of the lodgement of development and building applications. These applications must be lodged with Customer Services at the Civic Centre in Drummoyne.

The Civic Centre offers photocopying and fax facilities available at a cost and free internet access. Hearing Loop and translation services are also available. Payments can be made at the Centre in cash, EFTPOS or with most major credit cards.
