

# Road work continuing on Lyons Road at Victoria Road, Drummoyne from Sunday 19 November 2023

November 2023

Transport for NSW acknowledges the Wangal people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW will continue to carry out upgrades to the traffic light at the intersection of Lyons Road and Victoria Road, Drummoyne between Sunday 19 November and Tuesday 19 December 2023.

## What work are we doing?

Transport for NSW will continue to carry out upgrades to improve the visibility of the traffic light at the intersection of Lyons Road and Victoria Road, Drummoyne.

This work will involve:

- replacing the existing traffic light with a taller post fitted with a mast arm
- installing traffic signalling cabling in the footpath
- reinstating the concrete footpath.

## When will we be working?

We originally advised you that this work will be completed by Friday 17 November, however due to the need to carry out further investigations on the underground utilities we will now work until **Tuesday 19 December 2023**, weather permitting.

We will be onsite for up to **six night shifts** from **Sunday to Friday** between the hours of **8pm** and **5am**.

We will not work on Saturdays or public holidays.

## What will this mean for you and how will we manage it?

Our work needs to be carried out at night to limit disruption to traffic and reduce safety risks to our workers, pedestrians and motorists.

Our work may be noisy at times, but we will do everything we can to minimise noise impacts, including:

- turning off equipment and vehicles when they are not in use
- completing the noisier tasks by midnight
- installing noise blankets around our work when carrying out noisier activities.

## Traffic changes

There will be temporary traffic changes to make sure the work zone is safe. Lane closures will be in place and may affect travel times.

Pedestrian access will be maintained under the direction of traffic controllers.

When we are installing the new traffic light post, there will be temporary traffic lights in place.

Transport for NSW thanks the community for their patience while we complete this important work.
