Majors Bay Road Our Village After 5

Majors Bay Road shopping village is a vibrant and friendly food and retail hub in the heart of Concord. It is one of Sydney's best al fresco eat streets and there are a variety of cuisines to suit all tastes. The Our Village After 5 map shows you dining options, beauty and wellbeing businesses that open after 5pm, as well as places to pick up your groceries after work. I encourage you to explore this vibrant community centre and enjoy what is on offer.
