# ABOUT FERRAGOSTO

This year we invite you to join us to celebrate the 23rd anniversary of Ferragosto on Sunday, 15 August 2021. The festival preserves its roots in the strongly-Italian local community, with considerable support and interest from local businesses, entertainers, community organisations and residents. The City of Canada Bay's largest event is focused on bringing people from across the City of Canada Bay and wider Sydney area together in Five Dock.

## HISTORY

Ferragosto began in 1998 as an initiative of Five Dock's Main Street Committee. The event was originally held in the Garfield Street car park for the first few years but as it grew, it moved to Great North Road. It has now expanded from Queens Road to Lyons Road – approximately 800m in length plus most side streets. As the demand, size and costs of the event increased, so did Council's involvement.

## DEMOGRAPHICS AND VISITORS

In 2019, it was estimated that nearly 110,000 people attended the event – an increase in numbers from previous years, which demonstrates its growing popularity throughout Sydney. As in past years, the event draws a mixed crowd with close to 60 per cent of attendees coming from the City of Canada Bay, the rest from the broader Sydney area. The crowd demographics are mixed with all age groups represented and a broad cross section of cultures.
