

To the householder/ business operator

AUGUST 2020

Essential night work on **Lyons Road, Drummoyne** starts Tuesday 1 September 2020 between Byrne Avenue and Gears Avenue

Downer Group, on behalf of Sydney Water will carry out essential road maintenance on **Lyons Road** between **Byrne Avenue and Gears Avenue** in **Drummoyne**.

Work is scheduled to be completed in approximately **three night shifts** between **Tuesday 1 September 2020** and **Wednesday 30 September 2020**, weather permitting.

This essential work involves replacing asphalt and road markings to provide a stronger, more durable road surface, improving road safety.

Work will be done at **night from 8pm to 5am** from **Sunday to Friday** to minimise traffic impact and there will be partial lane closures during these general working hours to create a safe working area.

There will be **no parking available during work times only** and **access to properties may be affected**. Traffic controllers will provide access as required.

This work is noisy, however every effort will be made to minimise the impact of noise on residents and businesses, including efficient scheduling of work at different locations each night.

During this work, motorists are asked to follow the signs, including reduced speed limits, and to follow the direction of traffic controllers. Minor delays are expected due to changed traffic conditions.

Downer apologises for any inconvenience this night work may cause and appreciate the patience of residents and motorists.

For further information please contact Downer Group Community Relations on 1300 776 069 or email CommunityRelations.PSMC@downergroup.com. Outside business hours or for more information on scheduled road work, visit www.livetraffic.com or call 132 701.

Yours faithfully
Road Maintenance project team
Downer Group
