

**MM-2                    MAYORAL MINUTE - CABARITA SWIMMING CENTRE**

**Department        Executive Services**

**Author Initials: HM**

---

On Sunday 16 October a regular swimmer at Cabarita Swimming Centre suffered a heart attack at around 6.30am. The efforts of a member of the public and two Belgravia Staff members, Rok Crnica and Anthony Tang, and the quick response of the ambulance service resulted in the swimmer being revived.

He is now recovering at home and I would like to commend the actions of all involved in the response to this incident and formalise this commendation by writing to the staff and member of the public who responded to this critical situation.

**RECOMMENDATION**

1.     THAT Council receive and note the report.
  
2.     THAT the Mayor writes letters of appreciation to the staff and member of the public involved.
