

ITEM MAYORAL MINUTE - VALE MARGARET MAHER

Department Executive Services

Author Initials: AT

REPORT

I would like to bring to Council's attention the recent passing of Margaret Maher, a longstanding local advocate and cherished member of our community.

Margaret was wife to former Federal and State Member and Mayor of Drummoyne Michael Maher but her contributions to our local area far surpassed that distinction.

Margaret received a PHD in science and was a passionate, lifelong advocate for women's education.

Margaret was known in our area for her dignity, grace humility.

Like her husband Michael she was respected on both sides of politics. Her political life was dedicated to her husband's selfless service and the Labor party, who bestowed her with life membership for her commitment to the party.

Margaret leaves behind her children Mary, Iona, Fidelma, Anthony and Brigid and nine grandchildren.
