Dear resident,

**Construction works notification – Henley Park Playground, Concord**

As part of our Let's All Play Strategy and commitment to improving outdoor spaces, I am pleased to announce that we are ready to start works on the Henley Park Playground upgrade.

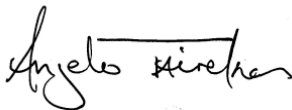

Community feedback from our consultation in November 2020 has been incorporated into the final design with strong support for climbing equipment, swings, an accessible play tower with slide and varying levels of challenge.

The concept design is shown over the page and has an estimated value of \$150,000. More information about the design can be found at: [collaborate.canadabay.nsw.gov.au/Henley](https://collaborate.canadabay.nsw.gov.au/Henley)

Works are beginning this Tuesday, 13 July with completion planned by late August 2021, weather and site conditions permitting. Work will be undertaken between 7am and 5pm Monday to Friday.

For further information, please contact our Landscape Architect and Project Manager, Philippa Dunstan, on 9911 6280.

Kind regards,

**Mayor Angelo Tsirekas**
