

15 July 2022

Dear Resident,

Footpath renewals – Stuart Street and Mackenzie Street, Concord West

As part of our commitment to improving local infrastructure, we are pleased to advise that we will be undertaking footpath replacement works on Stuart Street and Mackenzie Street in Concord West.

This work is part of our Accessibility Program which will invest \$1 million in pedestrian access upgrades in the 2022/2023 financial year.

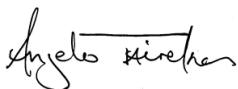

These works are scheduled to commence in late July 2022 with completion expected by late August 2022, weather and site conditions permitting. Our contractors will advise you in writing before commencing work, including any information about temporary parking restrictions that may be required.

Generally, works will be carried out between Monday to Friday from 7am to 5pm, however, there may be instances that will require work to be undertaken outside of these hours.

We are working towards improving our local streets and thank you for your patience and cooperation during the works.

Should you require further information, please contact our Infrastructure Project Manager, Joseph Fiamengo, on 9911 6387.

Kind regards,

Mayor Angelo Tsirekas
