

18 June 2025

The Resident  
DRUMMOYNE NSW 2047

**Utz Reserve Upgrade – Commencement Notification**

Dear Resident,

As part of our ongoing commitment to improving public open space and infrastructure, Council is pleased to advise that work will soon commence on the **Utz Reserve Upgrade** in Wrights Road, Drummoyne.

The project includes:

- Reconstruction of a sandstone retaining wall
- Improved access to the park and seating, and
- Improved amenity with landscaping and tree planting.

Please find attached a plan of works for your information.

Construction is expected to commence June 2025, with completion anticipated by end of August 2025, weather permitting. Construction hours will generally be Monday–Friday, 7am–5pm. At times, works may be required to be undertaken on Saturday from 8am–12pm.

During the construction period, the reserve will be fenced off and inaccessible to the public. Signage and safety measures will be in place, and every effort will be made to minimise disruption to nearby residents and park users. There will be a work zone dedicated to the contractor, directly opposite the reserve.

We appreciate your understanding and cooperation as we work to improve this valuable community space.

Should you require further information, please contact Council's Project Manager, Michael Isaac, on 9911 6425 or email [michael.isaac@canadabay.nsw.gov.au](mailto:michael.isaac@canadabay.nsw.gov.au).

Kind regards,

Mayor Michael Megna
