Dear Resident,

Raised Pedestrian Crossing Renewal – Abbotsford Public School, Great North Road, Abbotsford

As part of our commitment to improving local infrastructure, we are pleased to advise that we will be undertaking raised pedestrian crossing renewal works at Abbotsford Public School on Great North Road.

This work is part of our Annual Capital Works Traffic Facilities Program that represents an investment of \$200,000 for traffic management improvements in the 2022/23 financial year.

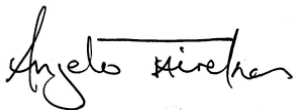

These works are scheduled to commence in early November with completion expected by late November 2022, weather permitting.

Generally, works will be carried out between Monday to Friday from 7am to 5pm; however, there may be instances that will require work to be undertaken outside of these hours.

We are working towards improving our local streets and thank you for your patience and cooperation during this time.

Should you require further information, please contact our Infrastructure Project Manager, William Boidin on 0439 626 119.

Yours sincerely,

Mayor Angelo Tsirekas
