MOTIONThat the Mayoral Minute be noted.

BACKGROUND

Councillors may be aware of a pedestrian accident that occurred last week on Majors Bay Road near Coles. Our thoughts are with the person involved.

In response to this incident, I can advise that Council officers have commenced investigations into the circumstances surrounding the accident which will include a review of pedestrian safety measures along the shopping strip.

I am sure that fellow Councillors support this initiative, and as always we thank the community for their input and concern on this and all pedestrian safety matters.
