How will the work affect you?

Our work needs to be carried out at night to minimise disruption to traffic and reduce safety risks to our workers and motorists. It may be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier tasks by midnight and turning off equipment and vehicles when they are not in use.◆

There will be some temporary traffic changes to make sure the work zone is safe.◆ Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs.
