

Traffic light upgrades on Victoria Road and Edwin Street, Drummoyne from Monday 11 January

The NSW Government is carrying out this essential work as part of the NSW Safer Roads Program to improve safety for road users.

Transport for NSW will upgrade the traffic lights at the Victoria Road and Edwin Street intersection, Drummoyne from **Monday 11 January 2021**.

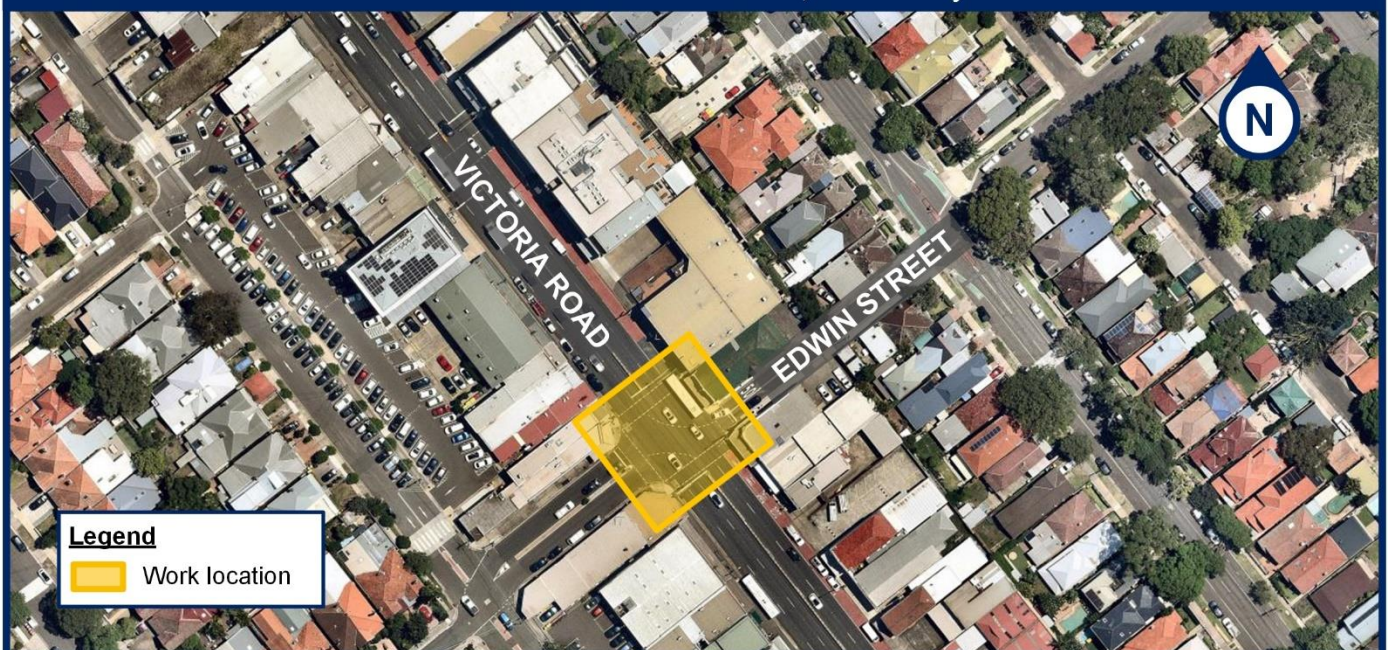

The upgraded traffic lights will have turning arrows including a red arrow to help pedestrians cross the road safely by holding turning vehicles.

The upgrade will improve safety and provide consistent driving conditions at this intersection.

To carry out the work we will have to dig up the footpath to install new electrical pits and underground cables, and the road surface to install new electrical cables. When our work is complete, we will restore the road and footpath to existing conditions.

We notified the community in early November on working up to five nights per week. We received one piece of feedback about noise and have responded to the community member.

Location of work on Victoria Road and Edwin Street, Drummoyne

Our work schedule

We will be on site for **seven night shifts** from **Monday 11 January 2021** to **Friday 5 February 2021**, weather and work site conditions permitting.

Our night time work will be from **Sunday to Thursday** between **8pm** and **5am** the next day. We will not work on public holidays.

We will be working up to five nights per week.

Contact

If you have any questions, please contact our delivery partner, LT Joint Venture, on **1800 735 563** or **info@ltjv.com.au**.

For more information on Transport for NSW projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.

How will the work affect you?

Our work needs to be carried out at night to minimise traffic disruption and reduce safety risks to the workers and road users.

We will do everything we can to minimise construction noise including completing noisier tasks like jack hammering and saw cutting **by midnight**.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe for pedestrian, motorists and workers. Traffic controllers will be on site to direct motorists and pedestrians, including when the traffic lights have to be switched off.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.
